CAREER OBJECTIVE

An aspiring software developer with 8+ years of programming experience and a passion for technology and front-end development, seeking to contribute programming, problem-solving, and collaboration skills to a dynamic team. Eager to grow and learn in a forward-thinking development environment.

EXPERIENCE

Freelance Web Developer | Self-Employed - Remote

JULY 2021 - PRESENT

- Successfully delivered client projects on time, consistently meeting deadlines while maintaining high-quality standards using a blend of ReactJS, CSS/Bootstrap, Babel, and Webpacks.
- Partnered with clients to transform their vision into responsive websites, adhering to best practices in performance, SEO, accessibility, and mobile-first design.
- Managed all aspects of the project lifecycle, from initial consultation and design to deployment and post-launch support, ensuring seamless delivery.

Code Coach(Tutor) | theCoderSchool - San Ramon, CA

NOVEMBER, 2016 - JULY, 2021

- Mentored students in best practices across Web Development, C++, C#, Java, and Python, fostering strong foundational skills.
- Coordinated summer camps for 15 to 30 students, achieving a 33%-50% conversion rate to full-time students post-camp.
- Conducted trial sessions for potential students, successfully engaging them and achieving an 80% sign-up rate.

EDUCATION

California State University East Bay | Hayward, CA

AUGUST 2018 - JULY 2021

Bachelor of Science (B.S.) in Computer Science

Notable Courses:

- Software Engineering
- Database Architecture
- Mobile App Development
- Data Structures
- Computer Networking
- Web Development
- Computer Graphics
- Analysis of Algorithms
